ACTION

EMPOWERING EDUCATORS AND COMMUNITY LEADERS TO ACT ON CLIMATE CHANGE

On 12th and 13th January 2022, the ACTION project consortium held their fifth transnational partner meeting. This meeting was organised and hosted by Meath Partnership in the Address Connolly Hotel, Dublin and online via Zoom due to local COVID-19 restrictions.

Meeting Outcomes

As the project is now entering its final few months, the consortium discussed the work that has been done on all of the project outputs to date:

IO1 Methodological Framework
IO2 Training Curriculum
IO3 Educational Package
IO4 e-Learning and Apps Portal
IO5 Action Case Study Videos
You can learn more about the resources on the project website:

https://action.erasmus.site.

Over the coming weeks, the consortium will be working hard to deliver the training resources so that they are ready for the C1 Learning and Teaching Event which will be hosted by CEDRU, in Portugal. This event will take place between the 23rd – 25th March 2022.

Social Dinner

Did you know that wine may not be vegan? This interesting discussion arose during our social dinner, held in Cornucopia, Dublin. Cornucopia is dedicated to providing vegan and vegetarian meals.
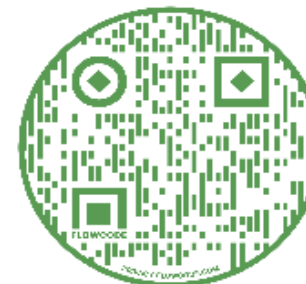

Further information :

The Rediscovery Centre, Ballymun.

The Centre is Ireland's National Centre for the Circular Economy. During this site visit, ACTION partners learned how the centre upcycles old furniture, bicycles, paint and fabrics to create new items.

We also learned how to grow our own plants using a mixture of 15 parts of water, to 1 part of urine.
